

*We Love Him for who He is*

**Worship defined::** it means to bow, in honor, reverence, as unto the King, acknowledge as Sovereign, the only true and living God, **The word “worship literally means** to extend yourself toward”. It carries with it the idea of adoration, admiration, and **intense love**. Every individual in the world worships someone or something and their entire lifestyle is an expression and outworking of that worship. If it’s not God that we worship, we will worship something and our whole life’s focus will be improper.

***God is our object of worship, He is ::***

- 1) Elohim, Creator
- 2) Adonai – Almighty
- 3) Jehovah Jireh – The Lord will provide.
- 4) Jehovah El El Youn – Most High
- 5) Jehovah –Rapha – The Lord that Healeth Thee
- 6) Jehovah Rohi – The Lord my Shepard
- 7) The One that Loves me with an everlasting Love
- 8) Jehovah Nissi – The Lord my banner , my Standard, My Victory

He created everything you see and don’t see for you to enjoy,

He created us,

He created us with the tools to be successful,

He provided a way to have a relationship with Him

He provided opportunities to get wisdom and ability to be successful in every endeavor and relationship in our life ,

Through Him we have the privilege to change the world and reign eternally with Him.

This is just some of the reasons why He deserve our praise. Just take time to (remember) each morning and praise will come easily.

In Praise our awe is accentuated, adoration is increased and our joy is doubled.

Praise helps us share the rich blessings with others that comes through Christ.

Why is there so much emphasis on Praising God? **God commands our Praise. It's an everlasting commandment.**

**I Pet 2:9** tells us one great reason that we are to show forth the praises of God. (ITS our innate divine Call from our Commanding Officer, Our Heavenly Father)

David had a tabernacle that the people came to worship, praise and make sacrifices unto the Lord. **Ps 34:1-3** says that our praise unto God should always be in our mouths.

In praise, why should we call upon the LORD? **Ps 18:3**

**Ps 96:4** He is feared above all gods

**Ps 145:3** His greatness can no one phantom

**II Sam 22:4** we are saved from our enemies.

**Rev 4:11** should be praised because you created all things.

- 1)** Praise changes the atmosphere. It changes a bad mood to a victorious and happy one.
- 2)** Praise will make a mind full of disappointed and mental confusion be placed back into the right perspective.
- 3)** Praising God will crucify ungodly humanistic pride. Destroy fear and shame. We often think more highly of ourselves than we ought. **Heb 13:15** that's why its commonly referred to the sacrifice of Praise. Praise will help us to die daily to the WILL of God.
- 4)** Praise attracts Gods Presence. When Solomon finished the temple, he gave sacrifices and Praised God. **2 Chron 7** , and God answered by sending fire from heaven , Then his glory came . Praise attracts Gods Presence. He is drawn to where he is welcome.
- 5)** Praise discharges strength in faith, which causes God to move on our behalf.

How should we worship God? There's a unique perspective in which God wants his Worship and Praise. He will come and make his abode with you.

**Col 3:16,17** \_\_\_\_\_

Worship and praise helps to keep life in proper perspective and reminds us that we are first and foremost the servants of the Kings of Kings and the Lords of Lords.
